Rc. No. 05/APSAHPC/Admissions/2026-27, Date.06.10.2026

Sir/Madam,

Sub: APSAHPC – Admissions into Allied & Healthcare Diploma Courses – Academic Year 2026-27 –Counselling process – Completion as per the schedule – Requested – Reg.

Ref: Notification No.05/APSAHPC/Admissions/AY 2026-2027, dated 05.10.2026.

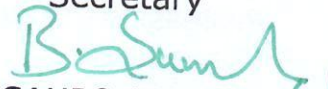

It is informed that the Andhra Pradesh State Allied and Healthcare Professions Council has issued the admission notification for the Academic Year 2026-27 for admissions into the permitted Allied and Healthcare Diploma Courses as per NCHAP norms.

As per the admission schedule prescribed in the notification, the Principals of Government Medical College are required to complete the counselling and allotment of candidates to the concerned institutions by 21.10.2026, and thereafter the approved selection lists are required to be communicated within the stipulated schedule.

Further, the National Commission for Allied and Healthcare Professions (NCAHP) has issued the norms relating to the semester-based examination pattern. In view of the same, it is necessary for the Council to consolidate the admission data, including the course-wise, college-wise and student-wise particulars, for making necessary arrangements for conduct of the examinations as per the prescribed pattern.

Therefore, all the Principals of Government Medical College are requested to strictly adhere to the admission schedule and complete the counselling process within the stipulated time without any delay, and furnish the approved selection/allotment lists and requisite admission particulars to this Council within the prescribed timelines.

The matter may be accorded TOP PRIORITY, keeping in view the subsequent academic and examination requirements under the new NCAHP norms.
